

# Mystery League

**The Mystery League** is a team of creative puzzlemakers who weave story, puzzles, and theatre into engaging, collaborative, puzzle-based hunts.

These hunts combine the triumph of breaking a code, the thrill of a good mystery novel, and the adrenaline rush of a playground game of tag. The puzzles require deduction, pattern recognition, observation, and creative problem solving. They work for strong puzzlers or casual ones, and especially a mix of both.

Because they'll be immersed in puzzles for hours, teams will be forced to come up with new ways to approach and solve problems together. Also, they'll have a fantastic time, and they'll leave feeling smarter, energized, and more creative.

*“These puzzle hunts are a perfect mix of clever, funny, challenging, and social. Every time I do one, I meet new people and learn to work with them to solve problems quickly.”*

— MAX TEMKIN, CARDS AGAINST HUMANITY

Hunts are ideal for 30-60 people, run 90 minutes to 3 hours, and cost between \$30-\$60 per person.
